## WORK EXPERIENCE

---

### Steamworks Studio and Hoboken Public Schools

June 2023 – August 2023

*Teacher and Curriculum Developer*

*Hoboken, NJ*

- Constructed curriculum for use by myself and other teachers, collaborating with and consulting curriculum supervisors, experienced teachers, and field specific experts. Classes made/taught: Programming (Python and Java), Robotics (Arduino, C++), Rocketry, and Sports
- Worked as an academic and sports summer teacher for Steamworks Studio at Hoboken Public Schools
- Managed and taught classrooms of 15-20 students, switching between different age groups of students, ranging from kindergarten to the 7th grade

### TASSEL Cambodia

September 2018 – Present

*President of New Jersey and New York Chapter*

*Jersey City, NJ/ Remote*

- Founder and president of the New Jersey and New York chapter of the TASSEL organization- a non-profit organization that aids impoverished Cambodians by providing food, financial support, and English education
- Managed and led a diverse group of more than 90 online English tutor volunteers and ensured their work met strict organization quality standards, as well as tutoring children myself.
  - Tutoring included both online video teaching as well as written lessons and grading papers.
  - Overseeing volunteers meant checking their work, keeping them up to date on necessary information and deadlines, and making up any work that they failed to do before organizational deadlines.
- Participated in meetings with the head of TASSEL to discuss and strategize the best way to get necessary work done.
- Organized fundraisers that helped raise thousands of dollars for TASSEL Cambodia

### Costco Wholesale

June 2022 – August 2022

*Membership Salesperson and Cashier*

*Bayonne, NJ*

- Performed various tasks over the summer, including: being a cart attendant outdoors, being a cashier, and selling and assisting in the sale of various Costco membership products.
- For several weeks, I was ranked at the top of internally measured cashier and membership salesperson statistics- specifically: items scanned per hour and memberships sold per day. I consistently ranked in the top 3 salespeople for memberships sold.
- After less than one month of working, I was quickly promoted from the role “Cashier Assistant” to “Cashier”
